

SBA - Dog Fact Sheet for Members of the BFC Community

- You need to obtain an annual licence for your dog(s) from your Local Housing Office which costs €20.50. You will need an up to date health certificate or booklet, or pet passport, signed by a qualified vet to get a licence. You will also need to register your dog and get a tag for it, which you can do when you get your first licence.
- Your dog must be kept on a leash in public places except in designated areas (see reverse).
- You must not take your dog to the seashore.
- You must use the dog bins provided to dispose of dog faeces or take it away with you.
- You must ensure that your dog(s) do not cause a nuisance to neighbours, such as by barking etc.
- You must ensure that your dog(s) always wear a tag.
- You must ensure that provision is made for your dog(s) should you go away for the weekend or away on leave and at the time of posting.
- You must ensure that your garden fence is secure so as not to allow your dog(s) to escape.
- You must not import, or own, the following breeds of dog in the SBAs (including any dog cross-bred from one of the following breeds):
 - Pit bull terrier or American pit bull
 - Japanese Tossa
 - Dogo Argentino
 - Fila Brasileiro
- Failure to adhere to any of the above may result in a fine being issued by the relevant authorities or prosecution.

There are Animal Wardens for SBA that work closely with the communities and authorities. If you have any further queries, please contact them through your local Housing Office.

More information and guidance is available through the SBA Website.
