**(This note does not form part of the Ordinance)**

1. This note relates to the Game and Wild Birds (Amendment) (No.3) Ordinance 2009 (“the Ordinance”). It has been prepared by the Office of the Attorney General and Legal Adviser in order to assist the reader of the Ordinance. It does not form part of the Ordinance.
2. The Ordinance amends the Game and Wild Birds Ordinance 2008. Section 31 of the 2008 Ordinance provides that certain types of areas are general game reserves, without the need for a specific designation. This amendment adds two new sets of areas that are always general game reserves – those areas within 200 metres of a motorway and those within 100 metres of a main road (as defined in subsection (3)).
