## **EXPLANATORY NOTE**

**(This note is not part of the Notice)**

1. This explanatory note relates to the Quarantine (Dangerous Infectious Diseases) Notice 2010. It has been prepared by the Office of the Attorney General and Legal Adviser in order to assist the reader of the Notice. It does not form part of the Notice.

2. By this Notice, the Administrator declares certain diseases to be “dangerous infectious diseases” for the purposes of the Quarantine Ordinance. It replaces the previous Notifications. The specified diseases mirror those in the equivalent Republican legislation, with the addition of scarlet fever.
