EXPLANATORY NOTE

(This note is not part of the Regulations)

1. This explanatory note relates to the Game and Wild Birds (Hunting) Regulations 2011. It has been prepared by the Office of the Attorney General and Legal Adviser in order to assist the reader of the Regulations, and does not form part of the Regulations.
2. Regulation 3, which prohibits hunting between sunset and sunrise, applies to all species of game on any day. Regulation 4, concerning hunting accompanied by dogs, also applies to any species of game. There are restrictions concerning the days on which hunting with dogs is allowed at regulation 4(1). There are also restrictions (at regulation 4(2)) as to the number of dogs that may accompany a hunter or a group of hunters.
3. Regulation 5, together with the three Schedules, specify the permitted periods for hunting particular species of game within each of the three game seasons. The three game seasons are prescribed by the Game and Wild Birds (Game Seasons) Order 2011.
4. The restrictions in these Regulations apply in addition to the restrictions imposed by the Game and Wild Birds Ordinance 2008 and any public instruments made under it. It would not be lawful to hunt a species of game, even during a permitted period, if the hunting contravenes a provision of the 2008 Ordinance or a relevant public instrument (for example, a provision relating to the method of killing, or to game reserves).
