

SBA CUSTOMS AND IMMIGRATION

Do you need to scrap your Duty Free Vehicle?

If so, it **MUST** be disposed of through SBA Customs

Disposal via any other method **WILL** lead to heavy fines imposed by SBA Customs and/or Republic of Cyprus Authorities

Visit the SBA Customs Office with your:

- C104A
- Log Book
- Declaration of SORN from Department of Road Transport (*you will be required to settle any Road Tax arrears*)
- €70 (*this is the fee for the RoC Destruction Certificate*)

SBA Customs will then book an appointment, on your behalf, with an approved contractor for the collection and destruction of the vehicle under the supervision of RoC Customs. You **must** meet the contractor in person, so please ensure that your appointment is booked well in advance if you are leaving the island.

An official certificate of destruction will be issued by RoC Customs and forwarded to the owner. The certificate must be taken to the Department of Road Transport to de-register the vehicle. You **WILL** also require this certificate when clearing through SBA Customs at tourex.
