2. Section 2 of the Adopted Instruments Ordinance 2003 amended

EXPLANATORY NOTE

(This note does not form part of the Ordinance)

1. This explanatory note relates to the Adopted Instruments (Amendment) Ordinance 2010 (“the Ordinance”). The note has been prepared by the Office of the Attorney General and Legal Adviser in order to assist the reader of the Ordinance. It does not form part of the Ordinance.

2. The Ordinance amends the Adopted Instruments Ordinance 2003. The amendment extends that Ordinance’s definition of “adopted instrument” to apply to Republican instruments that are not made under a Law (in the usual way) but that are treated in Republican law as having been made under a Law. An example of this is regulations that take the form of a Schedule to a Republican Law and are treated in Republican law as being made under that Law. The effect of the amendment is to enable the adoption of such regulations under the Adopted Instruments Ordinance 2003.
