EXPLANATORY NOTE

(This note is not part of the Ordinance)

1. This explanatory note relates to the Protection of Public Health (Covid-19) (Consolidation No.2) (Amendment No.5) Ordinance 2020 (“the Ordinance”). It has been prepared by the Office of the Attorney General and Legal Adviser in order to assist the reader of the Ordinance. It does not form part of the Ordinance.

2. This note should be read in conjunction with the Ordinance. It is not, and is not meant to be, a comprehensive description of the Ordinance.

3. The Ordinance amends the Protection of Public Health (Covid-19) (Consolidation No.2) Ordinance 2020 (“the principal Ordinance”). It is made for the purpose of introducing similar restrictions to those introduced in the Republic of Cyprus in the Quarantine (Measures to prevent the spread of the coronavirus COVID-19) (No. 36) Order 2020.

4. A new section 5A is inserted into the principal Ordinance, which applies in the Akrotiri (Western) Sovereign Base Area only. This provides for restrictions on the number of people that may gather together.

5. Section 7 of the principal Ordinance is amended to provide that the rule in that section (that no more than 1 person per 8 square metres may be permitted into certain establishments) may be relaxed where relevant Covid-19- related health and safety guidelines of the Republic allow a greater number of people to be present.

6. New section 8A of the principal Ordinance provides that catering businesses (such as restaurants and cafes) must limit the number of people present on their premises in accordance with the numbers set out in guidelines published by the Republic which apply to the Limassol District, and comply with any other requirements in those guidelines. This section applies in the Akrotiri (Western) Sovereign Base Area only.

7. Section 11 of the principal Ordinance is amended to require any person in an indoor area to wear a mask, in circumstances where Republic guidelines require them to do so.

8. Section 12 of the principal Ordinance reinstates price caps on the sale of certain products.
