"Irrigation Division" means the Xylotymbou - Area 15 Irrigation Division.
"Irrigation Works" means Irrigation Works within the area of the Irrigation Division.
"List" means the list of the names and residences of the proprietors and of the lands and their extent which are benefited or are capable of being benefited by the works, prepared under the provisions of Section 15 of the Ordinance as finally settled under the provisions of Section 16 of the Ordinance.
"Ordinance" means the Irrigation Divisions (Villages) Ordinance.
"Proprietor" has the meaning assigned to this term in the Irrigation Divisions (Villages) Ordinance.
"Water" means the water of the Irrigation Division related to the Southern Conveyor Project and other associated Water Works.
"Works" means the irrigation works of the Irrigation Division.

3. The Committee shall hold office for a period of three years commencing on its election day and thereafter the election of a new committee shall take place every third year.

4. (1) The Committee shall appoint one of its members as Treasurer of the Irrigation Division. The treasurer shall collect the various duties, rates and charges which shall be assessed by
the Committee upon the proprietors and execute any other related duties which may be assigned to him by the Committee.

(2) The treasurer shall on the 31st December in every year, prepare a statement of all duties, rates and charges still due and unpaid by that day and shall forward such statement to the Area Officer.

(3) The treasurer shall be paid as a reward such sum of money, as may be defined by the Committee and approved by the Area Officer as well as any out of pocket expenses he may incur in the performance of his duties, provided that they will be inspected and approved by the Committee.

(4) The treasurer shall be appointed for such a period as may be fixed by the Committee but in no case will his term exceed the term of office of the Committee appointing such treasurer.

5. Every proprietor shall pay for every decare of his land within the Irrigation Division which is benefited or capable of being benefited by the works, a rate to be prescribed by the Committee in proportion to the obligations of the Irrigation Division not exceeding the sum of £10. - per decare. In addition to the above rates, every proprietor or water consumer shall pay additional rates, not exceeding 10 cents per cubic meter of water, as may be prescribed by the Committee.

6. All rates assessed under the provisions of the Ordinance and of these Rules shall be paid by the 31st December of the year and the duties and charges, every two months.

7. The list shall be examined annually by the Committee and if it is considered necessary, shall be amended as provided by Section 16 (6) of the Ordinance.

8. The annual budget of revenue and expenditure of the Irrigation Division shall be prepared and submitted by the Committee to the Area Officer for approval, the latest by the 31st December of the preceding year.

9. The Committee shall from time to time authorize the treasurer of the Irrigation Division to make payments out of the funds he has at hand for the following purposes:-

(a) The construction of new works or the improvement, repair and maintenance of the existing ones;

(b) any purpose approved by the Area Officer connected with the operation of the Irrigation Division, provision for which is included in the Budget approved by the Area Officer; and

(c) for any compensation which is payable according to the provisions of Sections 32, 33, 34, 35 and 36 of the Ordinance.

10. The Committee, under the provisions of the Ordinance
and these Rules may appoint, from time to time, such person or persons, as may be required for the purpose of carrying out any work or for the performance of any duty and fix the remuneration of such person or persons, provided such appointment shall be first approved by the Area Officer.

11. The Committee has the obligation and authority to adopt all suitable measures as to maintain the works in a good and functionable condition.

12. (1) No person, whether the proprietor or not, shall interfere in any way with the works or the water of the Division. The performance of any kind of work which may affect in any way the works or the water, such as the laying of new pipes, installing of water meters, etc. shall not take place without a written permit previously obtained from the Committee.

The person or persons granted such a permit, must execute relative work according to the terms and conditions imposed thereon. Any person or persons who fail or neglect to observe such terms and conditions, shall be guilty of an offence against this Rule.

(2) Anyone who wishes to obtain such a permit, as paragraph (1) above provides, must submit a written application to the Committee. The Committee will forward it to the Area Officer for his decision.

13. Every proprietor, through whose lands any water pipe passes, shall at all times keep such pipe and the water meter in good and functionable condition. Failure in doing so will cause the Committee to take all suitable measures for repairing and maintaining the works and charge the proprietor with the expenses.

14. The Committee has the authority from time to time to distribute the water of the Division in accordance with the order of irrigation and the quantity of water which every proprietor is entitled to. In determining such distribution, the Committee shall have regard to the available quantity of the existing water, the extent of lands and the kind of plantation (permanent) which every proprietor is entitled to irrigate.

15. The Committee may, with the consent of the Area Officer, enter into any agreement or arrangement with the Committee of any other lawfully established and operating Irrigation Division with regard to any dams, channels, water pipes or any other works which are shared in common between the Division and such other Division, the maintenance thereof and the proportion of any contribution for any expenses incurred in connection therewith, to be paid by the Irrigation Division.

16. (1) Any application for the dissolution of the Irrigation Division shall be submitted to the Area Officer, signed by not less than two-thirds of the proprietors. The Area Officer, within 30
days from receiving such application shall call a meeting of the proprietors by posting a notice at a conspicuous place in the village stating the date, time and place of such a meeting.

(2) Every meeting called according to the provisions of paragraph (1) of this Rule must be held in the presence of the Area Officer or his authorized representative. Every proprietor may be present in person or represented by an authorized proxy holding a written authorization. If at such meeting the two thirds of the proprietors or their authorized proxies decide that the Irrigation Division should be dissolved, so it shall be done, the day of the dissolution being the day on which the decision is made:

Provided that all rates due and unpaid on the day of dissolution, shall be levied and paid as if the Irrigation Division still exists. It is also provided that any financial obligation the Irrigation Division has towards any third party, will continue to be valid after the dissolution as if the dissolution never took place. Such obligations are payable to the creditors from the money and any other property owned by the Irrigation Division on the date of dissolution in a chronological order of the obligations.

(3) Any money in the disposition of the Committee or the Treasurer of the Irrigation Division at the time of the dissolution of the Irrigation Division and any money recovered at any time thereafter on account of the rates due and unpaid at the time of such dissolution as provided in the previous paragraph and the payment of the obligations of the Irrigation Division as provided in the same previous paragraph, shall be paid to the Area Officer to the credit of the Village Authority. Every such sum of money will be utilized by the Area Officer for such purpose of public utility as he may approve.

(4) The provisions of Sections 4, 6, 7, 8 and 9 of the Ordinance with respect to the public meetings, apply mutatis mutandis to a meeting convened under the provisions of this Rule.

   "Ordinance" means the Irrigation Divisions (Villages) Ordinance.
   "Proprietor" has the meaning assigned to this term in the Irrigation Divisions (Villages) Ordinance.
   "Water" means the water of the Irrigation Division related to the Southern Conveyor Project and other associated Water Works.
   "Works" means the irrigation works of the Irrigation Division.

3. The Committee shall hold office for a period of three years commencing on its election day and thereafter the election of a new committee shall take place every third year.

4. (1) The Committee shall appoint one of its members as Treasurer of the Irrigation Division. The treasurer shall collect the various duties, rates and charges which shall be assessed by
the Committee upon the proprietors and execute any other related duties which may be assigned to him by the Committee.

(2) The treasurer shall on the 31st December in every year, prepare a statement of all duties, rates and charges still due and unpaid by that day and shall forward such statement to the Area Officer.

(3) The treasurer shall be paid as a reward such sum of money, as may be defined by the Committee and approved by the Area Officer as well as any out of pocket expenses he may incur in the performance of his duties, provided that they will be inspected and approved by the Committee.

(4) The treasurer shall be appointed for such a period as may be fixed by the Committee but in no case will his term exceed the term of office of the Committee appointing such treasurer.

5. Every proprietor shall pay for every decare of his land within the Irrigation Division which is benefited or capable of being benefited by the works, a rate to be prescribed by the Committee in proportion to the obligations of the Irrigation Division not exceeding the sum of £10. per decare. In addition to the above rates, every proprietor or water consumer shall pay additional rates, not exceeding 10 cents per cubic meter of water, as may be prescribed by the Committee.

6. All rates assessed under the provisions of the Ordinance and of these Rules shall be paid by the 31st December of the year and the duties and charges, every two months.

7. The list shall be examined annually by the Committee and if it is considered necessary, shall be amended as provided by Section 16 (6) of the Ordinance.

8. The annual budget of revenue and expenditure of the Irrigation Division shall be prepared and submitted by the Committee to the Area Officer for approval, the latest by the 31st December of the preceding year.

9. The Committee shall from time to time authorize the treasurer of the Irrigation Division to make payments out of the funds he has at hand for the following purposes:--

(a) The construction of new works or the improvement, repair and maintenance of the existing ones;

(b) any purpose approved by the Area Officer connected with the operation of the Irrigation Division provision for which is included in the Budget approved by the Area Officer; and

(c) for any compensation which is payable according to the provisions of Sections 32, 33, 34, 35 and 36 of the Ordinance.

10. The Committee, under the provisions of the Ordinance
and these Rules may appoint, from time to time, such person or persons, as may be required for the purpose of carrying out any work or for the performance of any duty and fix the remuneration of such person or persons, provided such appointment shall be first approved by the Area Officer.

11. The Committee has the obligation and authority to adopt all suitable measures as to maintain the works in a good and functionable condition.

12. (1) No person, whether the proprietor or not, shall interfere in any way with the works or the water of the Division. The performance of any kind of work which may affect in any way the works or the water, such as the laying of new pipes, installing of water meters, etc. shall not take place without a written permit previously obtained from the Committee.

The person or persons granted such a permit, must execute relative work according to the terms and conditions imposed thereon. Any person or persons who fail or neglect to observe such terms and conditions, shall be guilty of an offence against this Rule.

(2) Anyone who wishes to obtain such a permit, as paragraph (1) above provides, must submit a written application to the Committee. The Committee will forward it to the Area Officer for his decision.

13. Every proprietor, through whose lands any water pipe passes, shall at all times keep such pipe and the water meter in good and functionable condition. Failure in doing so will cause the Committee to take all suitable measures for repairing and maintaining the works and charge the proprietor with the expenses.

14. The Committee has the authority from time to time to distribute the water of the Division in accordance with the order of irrigation and the quantity of water which every proprietor is entitled to. In determining such distribution, the Committee shall have regard to the available quantity of the existing water, the extent of lands and the kind of plantation (permanent) which every proprietor is entitled to irrigate.

15. The Committee may, with the consent of the Area Officer, enter into any agreement or arrangement with the Committee of any other lawfully established and operating Irrigation Division with regard to any dams, channels, water pipes or any other works which are shared in common between the Division and such other Division, the maintenance thereof and the proportion of any contribution for any expenses incurred in connection therewith, to be paid by the Irrigation Division.

16. (1) Any application for the dissolution of the Irrigation Division shall be submitted to the Area Officer, signed by not less than two-thirds of the proprietors. The Area Officer, within 30
days from receiving such application shall call a meeting of the proprietors by posting a notice at a conspicuous place in the village stating the date, time and place of such a meeting.

(2) Every meeting called according to the provisions of paragraph (1) of this Rule must be held in the presence of the Area Officer or his authorized representative. Every proprietor may be present in person or represented by an authorized proxy holding a written authorization. If at such meeting the two thirds of the proprietors or their authorized proxies decide that the Irrigation Division should be dissolved, so it shall be done, the day of the dissolution being the day on which the decision is made:

Provided that all rates due and unpaid on the day of dissolution, shall be levied and paid as if the Irrigation Division still exists. It is also provided that any financial obligation the Irrigation Division has towards any third party, will continue to be valid after the dissolution as if the dissolution never took place. Such obligations are payable to the creditors from the money and any other property owned by the Irrigation Division on the date of dissolution in a chronological order of the obligations.

(3) Any money in the disposition of the Committee or the Treasurer of the Irrigation Division at the time of the dissolution of the Irrigation Division and any money recovered at any time thereafter on account of the rates due and unpaid at the time of such dissolution as provided in the previous paragraph and the payment of the obligations of the Irrigation Division as provided in the same previous paragraph, shall be paid to the Area Officer to the credit of the Village Authority. Every such sum of money will be utilized by the Area Officer for such purpose of public utility as he may approve.

(4) The provisions of Sections 4, 6, 7, 8 and 9 of the Ordinance with respect to the public meetings, apply mutatis mutandis to a meeting convened under the provisions of this Rule.
