## **EXPLANATORY NOTE**

### **(This note is not part of the Order)**

1. This explanatory note relates to the Game and Wild Birds (General Game Reserves) (Amendment) Order 2010 (“the Order”). It has been prepared by the Office of the Attorney General and Legal Adviser in order to assist the reader of the Order, and does not form part of the Order.
2. The Order amends the Game and Wild Birds (General Game Reserves) Order 2009 (“the 2009 Order”) by replacing the definitions of the maps that show the general game reserves for both the Western Sovereign Base Area and the Eastern Sovereign Base Area. The maps also show the locations of the temporary game reserves in the Eastern Sovereign Base Area and the Western Sovereign Base Area as designated by the Game and Wild Birds (Temporary Game Reserves) Order 2010 (Public Instrument 28/10).
3. In the Eastern Sovereign Base Area, the area of the Dhekelia general game reserve has decreased. The new area is coloured blue on the new version of the Dhekelia map. The new definition of the Akrotiri SBA map is necessary because changes have been made to the temporary game reserves in the Western Sovereign Base Area. There is no change to the Akrotiri general game reserve.
4. Both the Akrotiri SBA map and the Dhekelia SBA map are available for public inspection at the Akrotiri Area Office and the Dhekelia Area Office respectively during normal working hours.
5. Although the 2009 Order has no expiry date, it can be revoked by the Chief Officer at any time.
