EXPLANATORY NOTE

(This note is not part of the Order)

1. This explanatory note relates to the Game and Wild Birds (Temporary Game Reserves) Order 2010 (“the Order”). It has been prepared by the Office of the Attorney General and Legal Adviser in order to assist the reader of the Order, and does not form part of the Order.

2. The Order designates five areas or clusters of areas as temporary game reserves under section 32 of the Game and Wild Birds Ordinance 2008. Four are in the Western Sovereign Base Area and one is in the Eastern Sovereign Base Area. The map showing the locations of the temporary game reserves in the WSBA is available for public inspection at the Akrotori Area Office during normal working hours. That map also shows the location of the general game reserves in the Western Sovereign Base Area, as designated by the Game and Wild Birds (General Game Reserves) Order 2009 (Public Instrument 27/09). The map showing the location of the temporary game reserve in the ESBA is available for public inspection at the Area Office Dhekelia. That map also shows the location of the general game reserve in the ESBA.

3. The Dhekelia temporary game reserve is larger than its equivalent in the Game and Wild Birds (Temporary Game Reserves) Order 2009, which expired on 1 March 2010. As the whole of the Eastern Sovereign Base Area is either general game reserve or temporary game reserve, the effect of this is that the size of the Dhekelia general game reserve is reduced.
