EXPLANATORY NOTE

(This note does not form part of the Order)

1. This explanatory note relates to the Children (Nursery Schools) (Adoption of Legislation of the Republic) Order 2013 (the “Order”). It has been prepared by the Office of the Attorney-General and Legal Adviser in order to assist the reader. The note should be read in conjunction with the Order.
2. Nursery schools (other than those exempted by section 35 of the Children Ordinance) are required to be registered under section 28(1)(a) of the Children Ordinance and to comply with requirements imposed by order under section 29(4) (see section 31(1)). The Order, which is made under section 29(4), imposes requirements on registered nursery schools in relation to inter alia staffing (number and qualifications), washroom facilities, safety, equipment, food and drink and record-keeping.
3. The Order does so by providing for a public instrument of the Republic of Cyprus (No. 262 of 2011) to have effect as part of the law of the Areas as if made under the Children Ordinance. That instrument was made under the Children Law of the Republic (the equivalent of the Children Ordinance in the Areas). The Adopted Instruments (Interpretation) Ordinance 2012 provides for the interpretation, etc. of legislation “adopted” in this way.
