## **EXPLANATORY NOTE**

*(This note is not part of the Regulations)*

**1.** This explanatory note relates to the Quarantine (Measures to Prevent the Spread of Covid-19) (No. 4) Regulations 2020 (“the Regulations”). It has been prepared by the Office of the Attorney General and Legal Adviser in order to assist the reader of the Notice. It does not form part of the Regulations

**2.** The Regulations make provisions which are substantially similar to Orders made in the Republic under the Quarantine Law.

**3.** Regulation 2 imposes maximum retail and wholesale prices for certain products.

**4.** Regulations 3 to 5 make amendments to the Quarantine (Measures to Prevent the Spread of Covid-19) (No.2) Regulations 2020 (“the No.2 Regulations”). The amendment made by regulation 4 provides that a director or similar officer of a body corporate is prohibited from contributing in various ways to a contravention of the No.2 Regulations by the body corporate. A director or similar officer who breaches this prohibition personally commits an offence under the Quarantine Ordinance. Regulation 5 deletes two provisions from the No.2 Regulations, because those same provisions now appear in the Protection of Public Health (Covid-19) Ordinance 2020.

**5.** Regulation 6 prevents any person from exporting pharmaceutical products from the Areas, subject to certain limited exceptions.
