1. This explanatory note relates to the Statistics (Census of 2021) Regulations 2022 (the “Regulations”). It has been prepared by the Office of the Attorney General and Legal Adviser in order to assist the reader of the Regulations. It does not form part of the Regulations.

2. The note should be read in conjunction with the Regulations and the Statistics (Census of 2021) Order 2022 (the “Order”). The Regulations require any person resident in the Areas, other than the persons specified in regulation 3(2), to provide a census officer with such information as the census officer may require for the purposes of the Census of 2021. Failure to do so is a criminal offence under section 17 of the Statistics Ordinance 1968.

5. The carrying out of the census and the appointment of census officers is delegated to the Republic under the Delegation of Functions to the Republic Ordinance 2007(a).
